Victory Is Stepping Stone To GOP President-Lafore

Tuesday's victory is the stepping stone to the election of a Republican president in 1948, John A. Lafore, Jr., chairman of the Lower Merion Township Republican Committee, declared yesterday.

In a post-election statement, Lafore, in thanking voters and workers, said that Tuesday's returns were local confirmation of the Republican trend sweeping the Nation.

High Water Mark
"With majorities exceeding 12,000 he said, 'it is a highwater mark in Lower Merion for Republicans.'"

"Great credit for the party victory," he said, "can be shared by Republican workers and an intelligent electorate, many of whom formerly cast their votes for New Deal candidates."

"While we are enjoying the fruits of victory and looking forward to a Republican Congress and a constitution of the Republican State Administration, we must pause to take stock."

Over-Confidence Feared
"Let us take stock lest our over-confidence arrest the trend that is already being felt in every state of the Nation. That trend will continue only so long as we offer constructive and courageous thought

and leadership in solving the complex social and economic problems of the day. The trend to Republicanism is on today, because the Democratic party has ceased to provide that kind of a political haven. We must keep the doors of our party open to all those who want to go forward."

"Looking toward the future and the coming Presidential election of 1948, let us start now to consolidate the victory we have just won. 'Let us meet more often. Let us talk over critical issues which daily are becoming more important to good local, State and National government. Let the party leadership, both local and State-wide, keep in closer contact with party workers and voters. Let us keep our party primary open, so that our party is continually fed by a fresh stream of competent men and women with forward-looking ideas. Above all, let us avoid smugness and complacency.'"

"The overwhelming vote we received on Tuesday placed great confidence in our leadership. Let us demonstrate to the electorate that we were worthy of this confidence; that we can lead."

Officials to Present Gift

Official presentation of the newly installed amplification system of the Narberth Methodist Church will be made by James H. Dean, Charge Lay Leader of the congregation, at special services to be held at 11 A. M., Sunday.

The system, to be accepted by William J. Bailey, president of the Board of Trustees, on behalf of the Church, was installed at a cost of more than \$2,000.

Purchased by members of the congregation as a tribute to servicemen and women of the Church, the system has been in operation for the past several weeks.

Hymns are amplified over loud speakers in the tower each evening at 8:30 P. M., and are heard for a distance of approximately one mile. Loud speakers were also installed in each room of the Church as well as in several pews.

The services this Sunday will be marked by the attendance of service personnel in uniform and by special music by the choir. The Rev. Harold D. Flood, pastor of the Church, will present a sermon.

At evening worship services to be held at 7:45 P. M., members of the String Chamber Music Club of Lower Merion High School will present several selections under the direction of Andrew Freck.

Members of the club are Barbara Wigginton, Margaret Smythe, Mary Cauffman, Christine Powell, Nancy Shand, Dorothy Platte, Olga D'Agostino, Nancy Young, Adrian Doe, Janet McLaughlin, Robert Mancke and Sarah Titlow.

Pastor Lists Sermon

"The Christian and Election" will be the sermon topic of the Rev. Theodore S. Wray, pastor of the Wynnefield United Presbyterian Church at the morning services, at 11 A. M., Sunday.

The Rev. John Stewart, D. D., will present moving pictures in color at the evening services of the Church at 8 P. M.

Ardmore Scout-O-Rama Plans Discussed

Plans for an Ardmore Scout-O-Rama were discussed at a meeting of the Ardmore Commissioners held last week.

Members of the group, Earl M. Langley, Clude C. Stone, Roland D. Jones, and William J. Doyle, Jr., announced that the affair would be held Saturday, November 23 in the gymnasium of the Wynnefield Rd. School.

Hart Given A New Car

A new Dodge sedan Monday was presented to William Hart, of 114 E. Montgomery avenue, Ardmore, radio operator for the Lower Merion police department, by George H. Thornton, president of the Thornton-Fuller automobile firm, in the Thornton-Fuller branch office at 125 E. Lancaster avenue, Ardmore.

Hart, who served as a technical sergeant with the 83rd Infantry division, first was wounded in July, 1944, when struck by shell fragments. In August of the same year he lost his left leg in an attack on Brest, France, and as a result was hospitalized for a year and three months.

He is married and the father of a 2-year-old son. Prior to his enlistment in 1943, he served six years on the Lower Merion police force. The new automobile has no special attachments, but Hart explained "the fluid drive will be a great help, minimizing the use of the clutch and my artificial left leg."

Library Circulation Hits 4530 During September

Circulation of the Ardmore Free Library totaled 4,530 books during September, according to a report made this week by the librarian.

The report also stated that there were 60 new members, 49 books purchased, and 14 books discarded during the same period.

Books were donated by Mrs. Harold Kistler, of Ardmore, and Mrs. John W. Shoyer, of Devon.

G.O.P. SWEEPS TOWNSHIP, BOROUGH; NEARLY 70 PCT. TURN OUT TO VOTE

Won't Evict Trailer Campers

Township officials may not force the eviction of the 25 residents of the Quaker Lodge Trailer Camp, Lancaster Ave., Wynnewood, it was learned this week.

Although refusal two weeks ago of the U. S. Supreme Court to review an appeal of N. D. Gallup, camp owner, against the Township empowered them to act, officials said this week they did not want to "work a hardship" on any of the families.

14 Veterans' Families
To date, few of the 25 families, 14 of them war veterans and their wives, have been able to find either another site for their trailers or any other form of housing.

Complying with the Township's order, Gallup last week sent 30 day notices of eviction to each of the families, but discovered later that

he had improperly filled out forms required by the Area Rent Control Office.

Joseph T. Turchi, Area Rent Director, said this week that the forms had been returned to Gallup to be properly filled out, but added that Gallup's request for eviction orders probably would be granted.

He said, however, that his office was undertaking a study to determine whether or not a provision that six months' notice be given evicted tenants should be complied with in this instance.

Six Months' Notice
Lower Merion Township, he said, is a "critical housing" shortage area, where six months' notice may be required at the discretion of the Area Director.

Meanwhile, an order that "in no event may notice to vacate be

given, nor may any threat or attempt to evict the trailer tenants be made unless and until the Area Rent Director issues a certificate relating to eviction," has been posted at the camp.

Thus, though few of the trailer residents have places to move, it is unlikely that any of them will be forcibly evicted in the near future.

Many of the veterans this week, however, were bitter at the prospect of being forced to leave the camp.

Veterans' Comments
Said Lloyd Patterson, a veteran of almost three years' service: "When I came home from overseas, I thought things would be different. Why don't they rent out apartments in large homes? All we want is a place we can call home

OPA Office Closes Monday

The Main Line Price Control Board closed its doors Monday morning after nearly five years of administering price and rationing regulations in Lower Merion and Radnor Townships.

Mrs. Arnold Doehler, of 116 Beverly Rd., Overbrook Hills, Chief Clerk of the office, at 66 E. Lancaster Ave., Ardmore, pasted the "closed" sign on the window and started the job of transferring files and records to the District office in Philadelphia.

"It's been a tough job," Mrs. Doehler said, "but we have always tried to temper justice with mercy and to serve both the public and business fairly."

Praises Volunteers
Later, she issued the following statement:

"This step marks the conclusion of almost five years of unprecedented patriotic service by more than 400 citizens of Lower Merion and Radnor Townships, who, through their thousands of hours of volunteer work, have prevented inflationary dangers from taking effect and saw that their neighbors had an equal right to their fair share of scarce commodities during the days of rationing."

The Ardmore board, a survival of the three boards that were consolidated in October 1945, from Wayne, Bryn Mawr and Ardmore, had jurisdiction over hundreds of retail stores in the two townships. It has recorded every auto sales since May 1942, answered questions from about 50 persons daily, and conferred with a weekly average of eight violators of OPA regulations.

When the three offices were consolidated in Ardmore, Mrs. Martha M. Diez, of 610 Pembroke Rd., Bryn Mawr, was made chairman of the Main Line Price Control Board. Mrs. Diez, a Professor of German at Bryn Mawr College, served more than 5000 hours as a volunteer worker in the Bryn Mawr office. She served as chairman of the Food Price Panel in Bryn Mawr until that office was closed.

Four Paid Employees

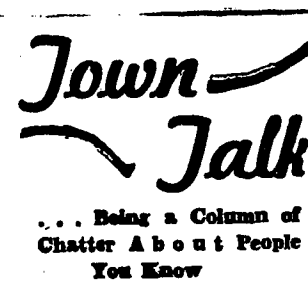

In addition to Mrs. Doehler, the Ardmore board has four paid employees, all ex-G.I.s. They will be given 30 days' notice effective Nov. 12. They will work until Dec. 12, chiefly in moving records to the OPA District office in Philadelphia and in briefing employees there on handling the transferred business.

Haverford Will Inaugurate Dr. Gilbert White Nov. 16

Dr. Gilbert F. White will be inaugurated as fourteenth president of Haverford College at ceremonies to be held Saturday, November 16. Dr. White, who is 35, is one of the youngest college presidents in the United States.

Initial event in the day's ceremonies will be observance, at 10 A. M., of Quaker worship at the Buck Lane Meeting House. Following, at 11:15 A. M., will be an academic procession of faculty members, representatives of the Board of Managers, Alumni Association and guests filling into Roberts Hall for the inaugural exercises.

Official inauguration will be given Dr. White in Roberts Hall at 11:30 A. M., where addresses will be delivered by Professor Emeritus Rufus Jones, Quaker writer and philosopher, and Dr. Frank Aydelotte, former president of Swarthmore College

By DOROTHY M. OGDEN

With the 50th anniversary of the Lower Merion-Radnor game coming up November 23, I thought it would be fun to dig up some facts about the past years of the annual classic, which was originated in 1897 when McKinley was inaugurated. He had just defeated William Jennings Bryan. October 26 that year, Lower Merion defeated Radnor 10-4 in this first game. Reports in local papers at the time said that "the streets nad roadways around Wayne seemed almost choked with carriages and wagons carrying people from outlying districts."

Radnor had only 25 boys enrolled in the entire school, which was organized in 1896, and the papers lamented that "all of the boys don't play the rugged game of football, which is new to the Main Line." Subsequently the men of Wayne were invited to play against the Radnor team because it had no one against whom it could scrimmage. L. M. had enough boys to put out two full teams.

By 1900, when McKinley was re-elected with Teddy Roosevelt as his running mate, Radnor and Lower Merion had both won two games and tied one... In 1904, with Roosevelt elected to the presidency, work begun on the Panama Canal, Radnor had won 6 games to L. M.'s two. The 1906 score was 0-0.

From 1896 until 1907 Radnor had an unbroken series of wins, but 1908 saw Lower Merion win by a lone touchdown... In 1912 Radnor won again, 20-0, but local papers commented that "the valiant Lower Merionites paraded just as bravely and proudly after the game as they did before."

In 1915 police had to be called out in full force, to clear the field so that the teams could finish the annual classic because of a riot on the gridiron... Early during the second half, Perry Long of L. M. scored the touchdown which tied the game 16-16, and bedlam let loose. When the mob was dispersed...

GOP Routs Democrats In County

Republican candidates won decisive victories in Montgomery County Tuesday—from one end of the slate to the other.

The Congressional fight, focal point of most voters' interests, turned out to be a rout for the Democratic contender, William L. Batt, Jr., of Wyncote.

Four-to-one Lead

In one of the heaviest off-year votes in the county's history, the Republican incumbent, Congressman Samuel K. McConnell, Jr., of Wynnewood, piled up an almost 4 to 1 lead from the time the first returns began to come in.

With 176 of the county's 191 voting precincts counted, McConnell had 66,671 votes to Batt's 20, 565.

In the same way, other Republican candidates snowed under their Democratic opponents.

For Representative in the General Assembly from the First Legislative District, which includes Lower Merion Township and Narberth Borough, Lambert Cadwalader, veteran incumbent, polled 16,622 to 4,568 for Karl R. Schoettle, the Democratic contender.

Brunner Wins

Returns from the Second Legislative District showed Charles H. Brunner, Jr., Republican incumbent, the victor with a vote of 9398 to Kenneth C. Roberts' 4193.

Partial returns from the Third Legislative District, where three legislators were to be elected assured victory for the GOP candidates. The incomplete vote was: Republicans: Raymond C. Kratz, 39,528; Howard F. Boorse, 39,543; Henry J. Probert, 39,371. Democrats: Virginius Ruffin, 10,865; Beatrice B. Berg, 10,915; and Ferdinand E. Suehle, 10,708.

In general, the vote indicated that most of the electorate registered a straight party ticket, with candidates' totals varying very little from one to another.

Thus, according to the tally from 176 of 191 precincts, Governor Edward Martin polled 67,616 votes to Senator Joseph F. Guffey's 19,338 for U. S. Senator; Attorney General James H. Duff received 67,278 to Col. John S. Rice's 19,923 for Governor; and Daniel B. Strickler had 64,816 against John H. Dent's 19,323 for Lieutenant Governor.

Schmid Led Democrats

Albert Schmid, blinded Marine war hero, who was the Democratic candidate for Secretary of Internal Affairs, led his ticket in Montgomery County. Incomplete returns gave him 20,394 against 66,099 for William S. Livengood, Jr., Republican.

In the contest for the past of State Senator to succeed the late Franklin Spencer Edmonds, Lloyd Wood, veteran Montgomery County legislator and chairman of the Montgomery County Republican Committee, walked away with an easy victory over his opponent, Charles J. Hepburn, Jr.

The vote, according to incomplete returns, was: Wood, 67,548; Hepburn, 19,663.

THE SPECTATOR

Some Will Surely Oppose Rebuilding of Business Area

The plan to reconstruct or re-face the local business section shows signs of progress. Important matter that it is, it can be expected that there will not be unanimous accord, and that discussion at times is apt to center on side lights that have no relevancy to the main issue. Word comes that the Philadelphia papers are pressing for stories on the situation. Interest grows apace, and the town at large is better aware of what is at stake.

If the Narberth Business Council appoints an energetic and convinced committee, the changes can be made to start quickly, and that should certainly be the theme-song, for there is no other way open to the merchants to protect their threatened investments and to fortify their competitive position in the tense market which will soon set in.

In the meantime, however, it is explained that new Business Council officers will be elected in December, and with an active holiday trade in sight the merchants will probably have little time anyhow for extra-curricular duties. It is stated that the improvement program will be the first item on the 1947

Gen. Martin Takes Lead On Ticket

Very Little Splitting Of Ballots Evident, Says Lafore

Placing the National trend and reviving old-time majorities, Main Line Republicans on Tuesday rolled over their Democratic opponents to achieve one of their greatest victories.

In the grand sweep they carried all of the 19 election districts in Lower Merion Township and the three in Narberth Borough.

Off-Year Record

Local Republicans not only achieved one of the most decisive victories in Main Line political history, but they established a record for heavy voting in an off-year election. With 26,394 registered voters, more than 18,000 went to the polls Tuesday in Lower Merion, and in Narberth, with 3771 voters registered 2622 voted. This gave Lower Merion an off-year voting turnout of 68 percent and Narberth 69.5 percent.

Rivaling the turnout in presidential elections, Narberth Borough made one of the best showing reported from suburban municipalities. The Borough figure topped nearby Haverford Township's turnout by two and one-half percent.

U. S. Senator-elect Edward Martin led the Republican ticket in Lower Merion and Narberth. He polled 15,338 votes to 2836 for his Democratic opponent, Joseph Guffey, in the Township, and in the Borough it was 2223 for Martin against 399 for Guffey.

Consistent Majorities

Republican majorities in Lower Merion ran consistently around the 12,000 mark for both State and County candidates.

William L. Batt, Jr., son of a Wyncote manufacturer, was lead man for the Democrats in Lower Merion in his race for the congressional berth. At that, Samuel K. McConnell, Jr., Wynnewood broker, defeated Batt 15, 163 to 3159 in Lower Merion and 2178 to 454 in Narberth.

In Lower Merion, heaviest voting was in the General Wayne Election District where approximately 1400 Republican and 100 Democratic votes were cast. The Republican voting was the lightest in the Pen-coyd District, which includes West Manayunk and Cynwyd Estates.

There were three local candidates on Tuesday's ballot, one Republican, Congressman McConnell, and two Democrats, Charles J. Hepburn, Jr., candidate for State Senator, and Karl R. Schoettle, candidate for State Representative. Hepburn and Schoettle, both residents of Bryn Mawr, failed to carry their own home districts.

Wins Home District

Wynnewood, the home of Congressman McConnell, gave him a top-heavy majority.

According to John A. Lafore, chairman of the Lower Merion Township Republican Committee, there was very little ticket-cutting in Township's 19 election districts. "It was a determined citizenry that turned out on Tuesday," he said, "and they went to the polls to vote the straight party ticket all down the line."

Town Talk

persed, Radnor's end. Ray Murphy, was not to be found. He was discovered later over the L. M. section engaging in a fist fight, so a substitute was sent in. The game remained a tie.

The year Woodrow Wilson was elected to the presidency a second time, 1916, Lower Merion won by one touchdown, despite the fact that its team weighed an average of 132 pounds per man. It fought against a much larger team, too, with an excellent season behind it. It's noted in the records that between halves an exuberant Lower Merionite shinned up the western goal post and planted a pennant there. He was quickly snagged by the police force, so an incipient riot was quashed just in time.

The year 1915 saw a radical change in the games—no admission had been charged until Lower Merion that year, asked 25c admission to Pennypacker Field—Radnor objected, and said it preferred to continue on a sports basis only. L. M. had the last word on the subject, however, and it has been a charge affair ever since.

1919 saw the worst defeat yet received by either school when Radnor trounced Lower Merion, 50-0. In fact, Radnor did so well that only one first down was made against its team the whole game.

Women had the vote for their first presidential election in 1920, when Warren G. Harding was elected, and that year Lower Merion was again beaten by a terrific margin... 56-0 was the score, and a spectator, Bob Bunting (there was no better identification in the records) was called "the exemplar of sartorial effects in a bottle-green-tailor-made suit, a pale lavender tie, a green velvet lid and Vici

The year 1921 saw the thermometer registering 75 degrees—it was the hottest November on record. It was also noted that longer skirts were in vogue, and waistlines were more pronounced on the ladies' gowns, which were luxuriously trimmed with fur. Lower Merion was beaten by three touchdowns that year.

At Pennypacker Field in 1923 Lower Merion again hit a winning stride, with a 23-0 victory over its ancient rival. Spectators stood six rows deep around the field, and between the halves there was great excitement when rooters tried to pen the goal posts—again the police had to restore order before the game could proceed. That score was the largest L. M. had ever scored against Radnor, by the way, and it was the first time in the history of the game that L. M. had won two years in succession.

Lower Merion beat Radnor again in 1924, the year Coolidge was elected the 30th president. It was also the year that "Ma" Ferguson, of Texas, and Nellie Ross, of Wyoming, were the first two women elected State Governors. Lower Merion alumni beat Radnor alumni in 1926, when the Scull brother, Paul and Howell, then luminaries of the University of Pennsylvania's team, played for the Red and White.

1927 saw a 0-0 tie, as did 1928 when Herbert Hoover took office in the White House. In 1930, the classic was moved to the Villanova College stadium. College authorities granted both schools use of the stadium free of charge. That year the Radnor Band made its first public appearance—Lower Merion had a band for some years. In 1931, no one gave Radnor a chance against L. M., but as is so often the case in these contests, advance dope means almost nothing.

Franklin Roosevelt won the 1932 presidential election, and Lower Merion beat Radnor, 13-8. It was a game of heart-breaking fumbles and breaks against L. M., until a brilliant 45-yard touchdown run during the last five minutes of play by Lower Merion's colored star, Johnson, won the game. 1933 saw an historic game; there was not one penalty for holding or rough play against either team. It was an L. M. victory, 27-0, that year.

When Roosevelt was re-elected for a second term, Lower Merion was winning its 5th straight victory, but when he won his third term in 1940, Radnor upset all the dopesters by winning 31-6. A crowd of 10,000 attended the battle that year. Dick Mattis made his first appearance in 1941 as L. M. Senior High School coach, and his team won 14-0 by virtue of two fourth-period touchdowns by Walter Holland, the fine Negro back. It was a 78-yard run which he made that first turned the trick.

In 1942, 22 years after Radnor beat L. M. 56-0, L. M. handed the exact duplicate score back to its ancient rival. L. M. made nine touchdowns each quarter. 1943 saw Lower Merion finish two undefeated years, having won 76 games in a row.

In 1944 came F. D. R.'s 4th re-election, with Harry Truman as his running mate. Lower Merion was beaten for the first time in three years, and it was noted that the bands seemed depleted because

Aldan, and Margaret Newman, of Philadelphia, were uninjured. Neither driver was arrested.

Post-Game Mishap
Saturday afternoon, after the Lower Merion-Upper Darby football game, Jane Lit, of 51 Merbrook Lane, Merion, daughter of a Philadelphia department store executive, drove her car from a park area and tried to thread her way through the crowds leaving the game. Lower Merion police reported the girl's car struck Mrs. Grace Parkison, 45, of 514 Lombardy Rd., Drexel Hill. Miss Parkison was taken to Delaware County Hospital where she was treated for abrasions of the right heel.

Also on Saturday, a Supplee-Wills-Jones milk truck collided with an automobile on Mill Creek Rd., at Gray's Lane, Bryn Mawr. William Weaver, 31, of 15 S. Merion Ave., Bryn Mawr, driver of the truck, told police he was driving on Gray's Lane, near Mill Creek Rd., when his brakes failed and he could not stop at the intersection. The truck drifted into Mill Creek Rd. where it collided with an automobile driven by Paul Carter Kendall, 19, of 631 Black Rock Rd., Bryn Mawr. Both drivers were treated at Bryn Mawr Hospital; Weaver for lacerations of the forehead and Kendall for a fractured right knee.

and be happy." Said Robert E. Wamsley, another veteran: "I don't see how the Commissioners of Lower Merion Township can feel proud of their ordinance which will permit them to have us evicted and thrown out of our living quarters in times like these." "I, too, would like to live in a fine home like the Commissioners live in, but a person must live according to their means. There are many hardships attached to living in a house-trailer, but when you are forced to live in the only home possible to purchase, I'll tell you frankly, you are exceeding happy to have a trailer, be it ever so humble, to call home."

Alex Grant Estate Valued At \$20,600

Alexander Grant, who died October 13, at his home, 508 Essex Ave., Narberth, left an estate valued at \$20,600, according to his will filed for probate in Norristown this week. Mr. Grant, an English teacher at Episcopal Academy since 1914, named his two daughters, Elizabeth Eleanor Grant and Mrs. Phyllis Dampman, as residuary beneficiaries.

Specific legacies of \$100 to the daughter, Elizabeth; \$100 to Dr. Hugh Montgomery and \$50 to Dr. Stewart Polk are provided. His collection of books and a piano are given to his daughter, Phyllis. The Grant residence in Narberth is given in trust to Elizabeth Grant as long as she desires to live there. If the property is sold, the proceeds are to be divided between the daughters.

of the war, but the games went on. The year 1945 found Harry Truman in the White House, and Lower Merion won the game. The victory lost some of its savor because school authorities refused to allow the student body its traditional victory day off. Students started a strike against the school, but things simmered down a few weeks later.

In order to avoid repetition of such doing this year, F. A. DuBois, School Superintendent, has assured students that they will be given a half-day off should the team win, but they must first attend a rally in the gym to do honor to the team. That seems to satisfy everyone, and the lower Main Line is crossing its fingers, hoping that its team will come through to win the 50th game, through the 50th game, through the 50th game. The games are tied this year, L. M. as won 20, so has Radnor, and there are 9 ties...it's anybody's guess.

agenda and that the project will be regarded as the most vital piece of real business that has ever confronted the local trade body.

Let's look for a spirited kind of high enterprise that will bring renown to Narberth and commercial security to those who are directly concerned. Nor should those in charge overlook that the opposition they are bound to encounter is an inescapable element of all real progress.

There is a trial scheduled for Franklin Kromer's court in Bala-Cynwyd next week which could rock the scales of justice beyond any hope of balance. This reporter is the defendant and the plaintiff is said to be in the cloak and suit business, but that may be wrong.

It has been the years' old practice of the defendant to park his car Saturday afternoons in the garage at 12th & Filbert Streets. He shops around in the down-town neighborhood and stores his purchases on the table in the garage office. Many other patrons do the same thing.

When the time of departure arrives, an attendant puts the parcels in the car. On the occasion in question the garage man put in two paper bags of produce which did not belong to the defendant, a fact not discovered until the unloading time came at Narberth. Defendant at once phoned the garage and said that he would deliver the two bags to the person to whom they belonged if he knew where they should go. Nobody could tell him nor did anybody phone later to the number he left.

After a few days, not having use for the peppers and onions and garlic, the borough garbage man got the benefit of them. Following up the matter at the garage the succeeding Saturday, the ownership of the two bags was finally learned and word was again left for the loser to phone the defendant.

The phone call occurred, when the defendant was made to appear a deep-dyed "ganiff" and told he must pay \$7.40 or else. Half of that would not do at all. The defendant, never adverse to adventure, decided to see what else it could be, hence the suit and the trial of the century that now looms.

On Monday night the Armistice Day dinner for Narberth veterans and the town at large will occur in Bala-Cynwyd. Such annual affairs have long provided the most notable neighborhood evenings of the Borough's calendar. This year the party is open for the first time to women. That means a more numerous attendance than ever before.

The pity is that it has to occur outside the town. Narberth has no adequate space for community gatherings. The lack of it should stir reflection and perhaps some civic discontent.

What has been done since the Playground venture (more than twenty-five years ago) in adding to the attractions of life in these parts? What is the real reason why we do not seek to provide ourselves in more interested (or, perhaps more imaginative) manner?

A round table of citizens and officials on the subject of the town's tomorrow would seem a good sort of winter's night diversion. What do you say, Mr. Burgess?

Youth Caught Offsides At Game

A 13-year-old Ardmore boy tried to get even with Upper Darby rooters Saturday afternoon while the Lower Merion High School football team was fighting a losing battle.

Lower Merion detectives caught him under the stands stealing pocketbooks from Upper Darby girls, who were too excited to notice their pocketbooks vanishing. The youth was held for a hearing in juvenile court.

Youth Held For Court

Frederick S. Stout, Jr., 19, of Glenn Rd., near Wister Rd., Ardmore, was one of two Princeton University students held in \$300 bail for court on a charge of "inciting a riot" at the Penn-Princeton football game Saturday.

SPORTS SCENE

By JACK FORD

We don't know what inspired Dr. R. B. Taylor's recent blast at football spectators, but at this corner it looks like an ill-advised attempt at publicity.

We hope we're wrong. Dr. Taylor and his associates in District One of the Pennsylvania Interscholastic Athletic Association until now have merited respect and commendation for a job well done.

Why, then, this sudden verbal blast against high school students, their parents and friends? According to the memorandum accompanying the PIAA press release, Dr. Taylor and his henchmen believe conditions are growing worse "...because of too free use of liquor, loose money and a tendency toward betting."

Copies of the release, emanating from Dr. Taylor's office in Rittenhouse Junior High, Norristown, were sent to 100 member PIAA schools in Delaware, Chester, Montgomery and Bucks counties. They also were sent to daily and weekly newspapers throughout the Philadelphia district, so the so-called conditions may merit "editorial or other attention through your pages."

According to these shortsighted PIAA officials, who forget that funds derived from football games pay the freight for most other scholastic sports, the subject was discussed at a District One committee meeting on October 23. Members were quite disturbed, to hear them tell it, by the increasing number of reports of thousands of undesirable conduct at football games.

They cited "examples of boisterousness, rowdiness, altercations and near riots which were not quelled by police." They charged that principals of many schools had neglected to provide adequate police protection.

Furthermore, cry these PIAA vigilantes, "there have been cases of crowds surrounding the playing field, obstruction of the view of all other spectators and encroaching on the field of play, creating a situation in which serious injury may develop." The host school, they pointed out, may be held responsible, both morally—and here's where it hurts—financially for such situations.

A sportswriter for a Philadelphia daily asked Dr. Taylor to cite some specific instances when these charges were blithely tossed about. The District One chairman replied that he could name no schools where such happenings had occurred, but the PIAA "feared that such situations might develop."

There have been untoward incidents in some high school games. Spectators admittedly have gotten out of hand when traditional rivals meet. Witness the riots which marred Collingdale-Darby High games a few years back.

It's true, too, that onlookers sometimes overflow from the stands out to the fringe of the field in certain PIAA games. That occurred a couple weeks ago, when Lower Merion met Haverford High at Brookline.

But spectators didn't venture close until the final few minutes, and they probably wouldn't have been there at all if the Haverford stands could have accommodated the crowd of some 6000.

Is that sufficient cause to charge spectators with drinking too freely and inciting to riot? And what if adult onlookers do lay a couple of bob on the outcome. Dr. Taylor might as well become reconciled to the fact that betting is an old American affliction. So long as bettors don't approach the players, why become excited about it? Football pools have flourished for years and will continue to make a fortune for their operators, college football being what it is.

Frankly, we think PIAA officials are way off base. If they had any such grievances—and we doubt they're so serious—why not discuss them quietly with the principals concerned? It benefits no one to wash their dirty linen in district sports pages.

If the doctor had deliberately planned to sabotage the PIAA's athletic program, he couldn't have done a more thorough job. Many parents won't relish the idea of their children associating with such "hoodlums" at school football games. Nor will they venture forth themselves in the future, unfounded though the reports may be.

LANSDOWNE AT HAVERFORD; EAGLES PLAY L. MERION

Fords Beat Berwyn For Second in Row; U. Darby Jolts Aces

Scoring its second straight triumph, Haverford High's vastly improved footballers knocked Berwyn High from unbeaten ranks Saturday afternoon at Brookline by winning, 12-7, before 3,000.

Haverford will play host to Lansdowne High, an ancient rival, this Saturday. Lansdowne's Lords lost to Sharon Hill, 33-0, in their most recent start. It was Sharon Hill's 15th straight triumph.

End John Trickett and Halfback Bob Steiert scored for Coach Bill Stinson's Fords in the first and fourth periods. Their touchdowns offset Berwyn's second-period tally. Steiert tossed to Trickett from the Berwyn 21 for the first Haverford touchdown. The Haverford end made the catch on the 10 and out-ran Berwyn secondaries.

In the fourth quarter, Haverford launched a 44-yard drive, with Steiert plunging over from the three for the deciding touchdown. Hard-running Charlie Anderson, who kept Berwyn at bay with a blistering ground attack throughout the second half, set the drive in motion with a 17-yard plunge to Berwyn's 27.

The big fullback blasted again for a first down on the 12. He was injured on his next smash to the seven, but Steiert took over and performed equally well, covering the remaining distance in two tries.

Berwyn's Pirates uncorked an aerial sweep in the second period to take a 7-6 lead. Elmer Novelli, halfback, connected with Bob Faggioli on Haverford's 32 and with great downfield blocking the fleet halfback went all the way. Roy Batista's left-footed placement gave the upper Main Liners a lead to which they tenaciously clung throughout most of the second half, setting the stage for Steiert's clincher.

Villanova 150's Triumph Over Penn

Villanova's 150-pound football team scored a thrilling 6 to 0 triumph over Penn's lightweights in a league encounter Friday on the Quakers' River Field.

Villanova accounted for the game's only score late in the fourth quarter when Gabby O'Dorissio tossed a touchdown pass to Jack Glaser on the goal line. O'Dorissio had previously pulled down a Penn pass on the 35 and returned it to the Red and Blue's 28 to set up the score.

Penn threatened only in the third quarter when George Opel broke loose for 40 yards to Villanova's six. However, the Wildcat Cubs threw back four successive thrusts to gain possession.

the fact that betting is an old American affliction. So long as bettors don't approach the players, why become excited about it? Football pools have flourished for years and will continue to make a fortune for their operators, college football being what it is.

Frankly, we think PIAA officials are way off base. If they had any such grievances—and we doubt they're so serious—why not discuss them quietly with the principals concerned? It benefits no one to wash their dirty linen in district sports pages.

If the doctor had deliberately planned to sabotage the PIAA's athletic program, he couldn't have done a more thorough job. Many parents won't relish the idea of their children associating with such "hoodlums" at school football games. Nor will they venture forth themselves in the future, unfounded though the reports may be.

To Meet Gladwyne Nov. 14

The footballers above are members of the West Manayunk Field Club team which has won five games and tied another. Narberth, L. Merion Fives Win

Clifton Heights, Narberth, Lower Merion Veterans and Coatesville opened the sixteenth Main Line League basketball season Monday night by scoring victories over Norristown, Chester, Wayne and Brookline.

Clifton Heights was paced by little Moon Mullin, who bucketed 16 points as the defending champions conquered Norristown, last year's runners up, 40-36, at Clifton Heights.

Narberth was never headed, leading from the opening whistle to thump Chester, 44-33, on the Bala-Cynwyd Junior High floor. Meanwhile, at Coatesville, Herb Good's Brookline bowed by 50-42 despite a belated rally on the Scott High floor. Don Marquard paced the winners.

Lower Merion Veterans, only new team in the league, jumped off to a commanding lead against Wayne, in the first half. The Radnor Township aggregation, however rallied to overcome a 13-point deficit and knot the count at 36-all with two minutes to play. Bud Long then countered with a field goal and foul shot to give the Vets a hard-earned 40-37 victory. Tall Don Evans also sparked for the winners.

In a Class "B" League game, Coatesville defeated Brookline's farm hands, Havertown, 39-29, to make a clean sweep of the evening for the Steel City quintets.

Now that the lid is off, the eight clubs in the senior circuit will settle down to the championship grind which will end in the championship play-offs late in March.

Thursday night, Brookline entertains Clifton Heights at the Arena in a preliminary game to the Warriors-Pittsburgh professional basketball opener. The Brooks, off to a poor start, will be pitted against the defending champions and one of the strongest clubs in this year's league.

On Saturday, Coatesville will journey to the Chester Armory to seek its second straight against Bill Delaney's Chester basketballers.

On Monday, Wayne will meet Clifton Heights at Clifton Heights High and Jiggs Torchiana's Narberth team will visit Coatesville. Lower Merion Vets travel to Norristown to meet Joe Fay's men on the Stewart Junior High court, Wednesday.

In the "B" league, Section One action pits Coatesville against Chester at the Chester Armory on Saturday. Narberth meets Coatesville at Coatesville on Monday while Sun Oil makes their league debut against Havertown at Haverford High School.

There are more than 5,000 golf clubs in the United States, but only three equaled the war work of the Bala Club.

Haverford School to Invade PMC Prep Field on Friday

Haverford School's gridmen, bouncing back to trounce Germantown Academy last week, will play PMC Prep at the Chester cadets' field Friday afternoon.

The Main Liners, beaten by Episcopal Academy in an upset a fortnight ago, returned to Interacademic League warfare last Friday to defeat Germantown Academy by 26-0.

Haverford, Interac champion for the past three years, scored on the game's second scrimmage play when Reds Bagnell fumbled for GA. Tom Magnan, Haverford fullback, plucked the ball out of midair and sprinted 19 yards to a touchdown.

Jim Boyd scored in the second period on a one-yard quarterback sneak, after helping to set up the tally with a 27-yard pass to Fritz Thornton. Boyd's passes also accounted for the third touchdown. He hit Thornton for 26 yards and Dave Monjar in the end zone.

Jack Clowar, a substitute, took over the passing assignment in the last period. He fired a 25-yard pass to Joe Diamond on the seven. Bill Fritz went around right end from the five for the score.

In another Interac League game, Episcopal Academy scored its second straight and remained unbeaten in loop competition by defeating Penn Charter, 13-0. The Churchmen cashed in on a pass interception and fumble.

Carnera To Grapple
Primo Carnera, ex-world heavyweight boxing champion, who recently returned to the United States to launch a wrestling career, will make his first Philadelphia mat showing on Friday at the Arena, 45th and Market Sts.

W. Manayunk F. C. To Play Gladwyne
West Manayunk Field Club's football team, triumphant in five starts this season, will oppose another unbeaten team—Gladwyne—Thursday night, Nov. 14, at McMoran Playground, West Manayunk.

The game will be played under the lights beginning at 8:30 P. M. West Manayunk's squad comprises former Lower Merion, Roxborough and La Salle High stars. Jim Bonder, who previously played at Roxborough High and La Salle College, is coach. Frank Basile, star of L. M.'s 1943 team, is one of West Manayunk's ace backs.

Gladwyne is coached by Frank Titlow and Vic Newborg. The Gladwyne gridgers defeated South Philadelphia Moose, 10-7, in their last start.

Bala is one of the few golf courses within the city limits of Philadelphia.

Oakmont Grid Kids to Play Brookline
The annual Grade School grid classic between the kids of the Oakmont and Brookline Schools will be played on the Haverford High School field on Monday, November 11, the kickoff at 2:00 P. M.

Each year since 1933, Oakmont has played one of its games on the High School field. This is the fourth game in a series with Brookline. A crowd of 1500 is expected to watch this game.

This year the teams are unusually well matched, both having lost to Chestnutwood by one point, Oakmont 14 to 13, and Brookline 13 to 12. Each team has also beaten Llanerch. This is the 17th consecutive year that Brookline and Oakmont have met in football, and it will be the 25th game between the two schools. Oakmont has won a majority of them but the current series started when William T. Buchanan, who coached six years at Oakmont, left to become principal and coach at Brookline and William J. Laramy, principal at Oakmont, again became coach. Oakmont has won twice and Brookline twice since the switch in coaches.

Brookline boasts a more experienced team, with four boys, Scott Dunlap, left tackle; David Foery, left guard; Wesley Hackman, right halfback; and Gordon Hutton, quarterback and captain, who played in the game last year. Of the Oakmont team only one player, Fred Schrader, halfback, is a veteran of last year's squad. Brookline has a decided advantage in weight, with a line averaging 89 pounds to Oakmont's 77. The backfield of each team averages 81 pounds, with Gordon Hutton of Brookline the heaviest back at 87. The boys are 10 and 11 years of age.

Between the halves of the game the Oakmont School band and drum majorettes will parade. This year the Oakmont squad of drum majorettes has grown to a total of 70 girls from grades one to six. The band is specially noted for the fact that 10 of the football squad, including five from the first team, take off their football helmets and pick up their instruments to "double in brass" between the halves.

Veteran's SERVICE BUREAU

EDITOR'S NOTE: This newspaper, through special arrangement with the Washington Bureau of Western Newspaper Union at 1616 Eye Street, N.W., Washington, D. C., is able to bring readers this weekly column on problems of the veteran and serviceman and his family. Questions may be addressed to the above Bureau and they will be answered in a subsequent column. No replies can be made direct by mail, but only in the column which will appear in this newspaper regularly.

Women Veteran Aid

Approximately two-thirds of women veterans of World War II, former members of the WAC, WAVES, SPARs or Marines, have applied for VA benefits either for readjustment allowances or education and training. Veteran's administration announces.

Chief difficulty of the women veterans, according to a survey, is gaining recognition of their status as veterans.

Most of the women are slower to take jobs than men. They do not want to return to former jobs but to use skills acquired in the services. Only a few women have applied for home or business loans. According to the survey, 50 percent of the women veterans have applied for and received readjustment allowances and 16 percent of these have drawn the allowance for more than 10 weeks, which is a considerably higher percentage than the rate shown in a similar survey of male veterans, where only nine per cent have drawn readjustment allowance for more than 10 payments in the first four months after discharge.

Questions and Answers

Q. When my husband was discharged from the army on February 2, 1946, he joined the enlisted reserve corps, at which time he was informed that he might go back on active duty at any time with his old rating and with the same family allotments. Has this been changed since his discharge?—Mrs. C. F. A. Plainview, Texas.

A. If your husband is called back during the emergency by the army, which is unlikely to happen, he would go back with his old rating and same family allotments. However, if he elects to go back on his own accord, voluntarily, he takes the same chances as any other enlisted man.

Q. My son was taken in action December 1944. Has he been paid? It is now 1946. How can I get his money?—Mrs. W.

A. Suggest that you write to the Casualty Branch, Office of the Adjutant General, Washington 25, D. C., for your son's furlough record, giving him all details of his death, his full name, serial number and rank. When you obtain it, then write to the Office of Dependency Benefits, U. S. Army, Newark 2, New Jersey, asking them about back pay, furlough pay or any other money which your son had coming to him at the time of his death.

Q. My brother was in service for three years, and was stationed in Germany. When they gave up was A. W. O. L. Several times he was in the guard house and served time in each instance. He only had one furlough. Can he get paid on the other furloughs he should have had?—Mrs. M. M. S. Milo, Mo.

A. Furloughs do not come to soldiers arbitrarily. They are granted by their commanding officers as a privilege. It seems your brother took his own furloughs. It will be entirely up to his record and to his commanding officer whether or not he gets paid.

Q. My nephew is in the navy and has left the states. His folks have had only one letter from him

Women Elect New Officers

Miss Jean D'Annunzio, of 865 Delmont Drive, Wynnewood, was elected president of the newly formed Main Line Women's Post of the American Legion, Bryn Mawr.

A former Navy nurse, Miss D'Annunzio replaces Miss Frances Laurie who has served as temporary commander from the formation of the Post several months ago.

Other officers elected last week were: Mrs. Sara Todd, of Baird Rd., Merion, senior vice-commander, a former WAC; Miss Mary Elizabeth Burns, of Railroad Ave., Bryn Mawr, a former Navy nurse, junior vice commander; Miss Mary McGlinn, of Gladwyn, a former WAC, treasurer, and Miss Laurie, County Line Rd., Bryn Mawr, a former member of the USMCWR, adjutant.

Meetings of the Post are held the fourth Monday of each month in the John Winthrop Post Home, Lancaster Ave., Bryn Mawr.

He was in China when they heard from him and his ship was on a cruise. His address is U.S.S. Tappahannock, A. O. 43, c/o Fleet Postoffice, San Francisco. Could you tell me where he could be or where his ship is stationed?—J. M. Waucoma, Iowa.

A. The navy says the U.S.S. Tappahannock is stationed at Yokosuka, Japan, which is near Tokyo. You might write to the Bureau of Naval Personnel, Washington 25, D. C., giving your nephew's name, rank, etc., in case he has been transferred from this ship.

Q. I am a married man in the army. I was inducted in September, 1945. I am still a draftee. We expect our first child in November. Under this order I can request to be discharged then. Is this true?—Pfc. S. R., Ft. Eustis, Va.

A. Yes, married men with children are eligible to apply for discharge.

Q. My son is in Japan. He doesn't get our mail from home. I receive all his letters. Can you tell me why he does not get our letters from home, since I send them to the address. He is aboard the USS Salamonie, a seaman 2nd class, Fleet Postoffice, San Francisco, Calif.—Mrs. M. G. Marthaville, La.

A. The chances are your son's ship is on the move and mail is not delivered until the ship touches a port where mail from the states can be taken aboard. In many instances months go by before mail reaches ships of the fleet at sea.

since June 6. His mother is nearly 70.

Q. My husband served 14 months in the merchant marine, 12 months of this overseas. Is he eligible for the draft?—Mrs. R. M. B., Pensacola, Fla.

A. If you do not have any children and your husband is between 18 and 26 years old and unless he has served for a period of not less than 32 months beginning on or after May 1, 1940, on active duty not less than 75 per cent of the time and unless he applied for and received from the war shipping administration a certificate certifying that he has completed a period of substantially continuous service in the merchant marine, he is subject to the selective service law and may be drafted.

Benson's Braves 1st In Overbrook Loop

More than 40 men and women compete in St. James Church Bowling League, which rolls each Monday night at the Overbrook Bowling Center.

Lloyd Benson's Braves, currently are leading in this mixed League, closely followed by Buck Hood's Phillies. The Cubs, captained by Slim Tyler; Yankees, captained by John Krisher; Warren Estlack's Pirates, and Jim Richardson's Red Sox are still near the top. The Dodgers have dropped to seventh place, while Brocksbank's Giants have a firm hold on the cellar.

Decrease Noted In Allowances

Service Officer Records 34 New Applications

Waldo L. Paganelli, manager of the Upper Darby U. S. Employment Service Office, announced this week a marked decrease in the number of area veterans claiming servicemen's readjustment allowances.

The office, which serves northeastern Delaware County and Lower Merion Township, recorded 134 new applications for veterans' benefits during the week ending October 10. Only 34 of these applications were new. Between September 12 and October 10, the total number of veterans receiving benefits decreased from 3844 to 2395.

Paganelli stated that the decrease of veterans' claims in this area followed the return of many veterans to school. Many, too, he said, had received employment. He said that of those receiving jobs through the Upper Darby office during the past month, 70 percent were veterans.

In order to accelerate veteran employment, Paganelli said that the Employment Service must know the opportunities available in each community.

He urged employers to list openings with the Bureau so that veterans may be told at once of possibilities in their immediate area.

Monument Will Be Dedicated Nov. 10

The band of the Bala-Cynwyd Junior High School will participate in the program. Speakers will include Frederick Smiley, Montgomery County District Attorney, and Edward Snow, principal of the Ardmore Junior High School.

The ceremonies will begin at 2 P. M., preceded by a parade of civic and fraternal groups, which will form at the McMoran Recreation Center, Mary Watersford Rd., West Manayunk.

Moore serves as radio operator in the 29th Troop Carrier Squadron, at Mediterranean headquarters for EATS whose C-47 air liners transport military personnel on duty missions, haul vital supplies and freight for the Occupying Forces, and furnish speedy air transport between Naples, London, Paris, Berlin, Rome, Vienna, and nearly a score of other American air fields overseas.

Cpl. Moore, a graduate of West Catholic High School, Philadelphia, in 1944, was shipped overseas in February, 1946, and was promoted to his present rank of corporal the following May.

Lt. DeLone Wins Award

Lt. (jg) Francis K. DeLone, USNR, husband of Mrs. Editha Rogers DeLone, of 183 Lakeside Rd., Ardmore, has been awarded the Distinguished Flying Cross for destroying a large Japanese merchant ship while serving as pilot of a Navy torpedo bomber in the Philippine Islands Oct. 19, 1944.

In Torpedo Squadron 13 operating from the aircraft carrier USS Franklin, Lt. (jg) DeLone participated in a mast-head bombing attack against Japanese Fleet units and merchant shipping on that date.

Text of the citation is as follows: "For heroism and extraordinary achievement in aerial flight as pilot of a torpedo bomber in Torpedo Squadron 13, attached to the USS Franklin, during operations against Japanese forces in the vicinity of the Philippine Islands on Oct. 19, 1944. Participating in a mast-head bombing attack against Fleet units and merchant shipping, Lt. (jg) DeLone carried out his assignment in the face of intense naval and shore antiaircraft fire, scoring a direct hit on a large merchant ship which was completely destroyed. His outstanding airmanship, gallantry and devotion to duty reflect the highest credit upon Lt. (jg) DeLone and the U. S. Naval Service."

CAP Officer Gets Award

The First Army Air Force Medal of Merit ever given a Civil Air Patrol officer was awarded to Ralph Earle, of Exeter Rd., Haverford, at Independence Hall, Tuesday afternoon.

Earle, brother of former Gov. George H. Earle, 3rd, established a coastal patrol base at Riverhead, L. I., with a fleet of civilian planes and volunteer pilots. They patrolled the coastal waters for submarines and for survivors of torpedoed ships. Later he set up a second station at Falmouth, Mass.

The presentation of the medal was made by Maj. General Manton Eddy and the citation was read by Congressman John E. Sheridan, acting chairman of the House Military Affairs Committee.

Earle is a director of the Market St. National Bank, of the Finance Company of Pennsylvania, the South Chester Tube Co., Horn & Hardart Baking Co., and of several insurance companies.

John B. Austin, Jr., commander of the Post, has announced that a membership drive for new members for both the Post and the Post Auxiliary has been undertaken. Mrs. Gretta Davis is president of the Auxiliary.

A goal of 1000 paid members by June, 1947, has been set by officials of the Post. The membership now totals 100. Charles Oglesby, senior vice-commander of the Post, has been named chairman of the drive.

KNOW YOUR
STATE

Among its many distinctions Pennsylvania has a national supremacy in the breeding of the trotting and pacing horses whose performance is the outstanding feature of county fairs throughout the Nation.

Our State leads all others in its production of Standard Bred horses, that great American breed of harness horse whose development goes back to the year of 1788 when the English station, Messenger, first appeared on a track in Philadelphia. Today Pennsylvania-near Hanover in York County-has the largest Standard Bred breeding farm in America and probably in the world.

The State also leads the Nation in the number of harness meetings and horse shows held annually, and produces thoroughbreds, hunters, palominos, walking horses, saddle horses and hackney ponies.

The horse show to be held in the State Farm Show Arena October 23-

27, and the Standard Bred sale held there November 5-8 are important events to many Americans who even in these years of automobiles and airplanes are showing an increasing interest in the breeding of trotting and pacing horses.

Radio Man Named

Roger W. Clipp, of 172 White-marsh Rd., Merion Golf Manor, General Manager of Radio Station WFIL, has been elected vice president of the Board of Directors of the Philadelphia Convention Bureau.

Lecture To Be Given
